Professional Experience

Baseball Analytics and Player Development Intern

September 2024 - Present

University of Oregon Athletic Department

Eugene, OR

- Shadow coaching staff to better understand strategies for maximizing player development in a Power-4 baseball program
- Gather data from practices, scrimmages, and games to track player stats and development using Trackman stadium unit and BATS, as well as Trackman portable and Edgertronic cameras in the bullpens
- Collect swing data using Blast Motion sensors during practice to analyze hitters' swings
- Analyze data and video to create scouting and player development reports with 643 Analytics and Synergy
- Create models, Dashboards and visualizations using Python to gain further insights into player stats and gain competitive advantages over opponents

Baseball Analytics Intern

May 2025 – August 2025

Springfield Drifters

Eugene, OR

- Set up Synergy cameras and collect data using Trackman for players, coaches, and scouts
- Utilize 643 analytics and synergy to create scouting reports on future opponents
- Create player-specific reports and visualizations using Python to help with player development
- Assist coaching staff in the dugout with pitch calling, defensive alignment, and attack plans based on scouting reports
- Analyzed performance data with players, highlighting trends and providing guidance to support their skill development.

Oregon Athletic Ambassador

April 2023 - Present

University of Oregon Athletic Department

Eugene, OR

- Lead tours of the Hatfield-Dowlin Complex and Hayward Field to potential recruits, donors, and partners of the University of Oregon
- Facilitate gameday operations for both track & field and football, enhancing the experience for recruits and VIP guests
- Execute responsibilities as Assistant Director on the Football Recruiting Committee, assisting with official and unofficial visits for high-profile football recruits
- Executed operation for various Oregon Football events, including 2024 Pro Day, Coach's Clinic and Spring game

Video Intern
